Company Chairman Michael Clarke with son Eugene Clarke, Managing Director.

Celebrating 25 Years

Engaging at the earliest stage of a project, we act as a central hub for clients offering the complete end-to-end facade service from pre-construction to project handover. By overseeing the process from start to finish, we guarantee safety, innovation and take sole responsibility in delivering remarkable buildings.

Established in 1996, Clarke celebrate 25 years in business. Employing 90 plus direct employees across pre-construction, design, structural engineering, fabrication, operations and management with 180 installers, Clarke is driven by the passion of its people.

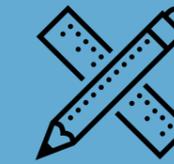

In 2022, we are moving to a state of the art facility to house our fabrication and office teams under one roof. Our newly invigorated fabrication facility is fully operational with advanced offsite machinery and equipment.

25 years in business

Family owned and run

In-house design and engineering experts

Full offsite capability

Purpose led company

Quality and process driven

Capabilities

Determined to engage at the earliest stage of a project, we act as a central hub for clients offering a complete end-to-end facade service from pre-construction to project handover. By overseeing the process from start to finish, we guarantee innovation, safety and take sole responsibility in delivering remarkable buildings. At Clarke we have highly skilled personnel across all divisions who are passionate about what they do and who bring a wealth of knowledge to the team.

- Pre-Construction

- Offsite Fabrication
- Re: Purpose

Trainee Facade Designer

As a Trainee Façade Technician, you will be learning on the job, and be working on specific detailing with assistance and support to move beyond current skill range. Your role will be to complete assigned work to the best of your ability, ask questions to move forward and work within proposed timescales.

Along with the rest of our team, you will help us deliver dream projects for our clients on large scale construction projects.

Role Summary

As a Trainee Façade Technician, you are required to:

- Produce working drawings/design on particular sections in accordance with the specifications received from the client and in the time the program allows.
- Attend internal and external project meetings where required.
- Producing and maintaining the contract design file.
- Follow correct procedures and storage.
- Submitting designs for internal review and discussion and then on for client approval.
- Providing technical calculations.
- Regularly liaising with other departments, Procurement, Estimating, Quantity Surveying, Production and Site Teams.
- Keeping daily records of contracts worked on for monthly timesheets.
- Providing support to the design team.

Personnel Specification

The role is offered as a 12-month placement opportunity, ideally, you will have completed your first 2 years of the BSc (Hons) Architectural Technology & Management Course and have strong AutoCAD skills and experience.

It would be ideal if you had excellent 3D ability and experience i.e. Photoshop, Inventor or similar.

Skills/Attributes

- High level of attention to detail.
- Flexible and adaptable approach to work.
- Motivated team player and ability to take initiative.
- Knowledge of general construction methods and ability to develop knowledge rebuilding regs and other relevant legislation.
- Ability to work on own initiative.
- Growth mindset prepared to develop and update skills and knowledge.

Training & Onboarding

Looking for somewhere to unleash your potential? You've found it!

Working alongside talented, diverse and passionate people, you will make your mark in construction through conscience, innovation and a determination to make a difference.

Our diverse, multi-skilled team work seamlessly in tandem to deliver project excellence from tender to completion. Our clients are guaranteed to work with the very best talent in the field, whose attention to detail, creativity, reliability and professionalism is second to none. We are incredibly proud of what our people have achieved, their growth and ambition are reflected in our success to date.

We've compiled a list of our typical onboarding and job-specific training:

Onboarding

- Vision, Values & Purpose
- Business Strategy
- The Clarke Way
- Objectives and Key Results
- Meet the Team
- Departmental Overviews
- Leadership Training
- Viewpoint
- Document Control
- Company Policies & Procedures
- Planning and Time Management

Benefits of working at Clarke

- Opportunities for career development
- Family culture
- Annual bonus
- Comprehensive training
- Company pension
- Award-winning company
- Long term career progression
- Attractive level of remuneration depending on expertise and experience
- State of the art facilities and amenities including free parking and on-site gym
- Westfield Health Cash Plan (Dental, optical, physio etc)
- Private health care
- Length of service awards

The Clarke Way

#TeamClarke

“

I've been at Clarke for over 17 years, starting out as a Junior Quantity Surveyor and working my way to Company Director. Being part of the Operations team gives me a good balance of site and office, I meet a range of people. My role as Commercial Director gives me the opportunity to get involved in all aspects of the business, with a focus on the growth and commercial direction of Clarke - it's been great to experience first-hand how far Clarke has come since I first joined the team.

“

I initially joined Clarke as a Receptionist, however since joining the team last year I have now progressed into Health and Safety. At present, I am completing my NEBOSH through Clarke and continue to train and develop within the department. I am thankful that the team at Clarke encouraged me to take the next steps and pursue this new role. Clarke is a great place to work, they put their people at the core of the business and always eager to support development within the business.

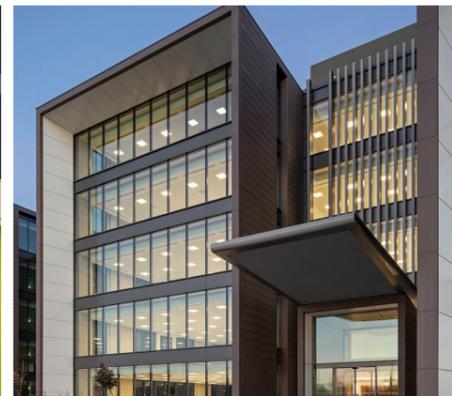

Cliodhna Devlin
Health & Safety Advisor
